Water Trail Etiquette

- Do a good deed of the waterfront and shoreline. Offer all potential ticks to participate to your site.
- Always report private boaters and property along the waterfront.
- Launch land, and boat landings of protected Moses Lake Water Trail sites. Lakes will be marked with signs visible from both land and water.
- Always give the right-of-way to mariners.
- Vocal lights and noises and environmentally friendly ways to launch your boat from a distance.

The Moses Lake Water Trail

- The Moses Lake Water Trail provides numerous recreational opportunities for fishing, kayaking, canoeing, and swimming. Moses Waters over 20 miles long and provide excellent opportunities for boating and fishing. The route is a series of launching sites along the shoreline with boat ramps and access to the water.

The Moses Lake Water Trail is designed to promote the responsible use of trails, so watercraft like kayaks, canoes, and sailboats can be enjoyed. Boat safety and environment are important considerations when using the waterways. The Moses Lake Water Trail is a great place to explore and enjoy the natural beauty of the area.

Goals for the Water Trail

- To encourage people to experience Moses Lake while preserving the natural environment and building healthier communities.
- To provide access to local waterways for recreation and recreation
- To maintain clean and beautiful waterways for all to enjoy.
- To highlight scenic water trails and facilitate increased water trail use.
- To encourage outdoor, water-related, and nature-based activities.

Boating Safety

- Follow all boating regulations and be aware of the environment around you.
- Always keep a watchful eye on the water for other boaters and swimmers.
- Be considerate of others and respect their space on the water.
- Wear life jackets and take necessary precautions.

Stewardship along the Trail

- We are all stewards of the land and water trail in our community. The water trail is an important part of our natural environment.
- Our water trail is a shared resource, and we all need to be responsible for its upkeep.
- Help maintain the trail by picking up any trash you see.
- By being a responsible water trail user, we can help protect and preserve this precious resource for future generations.
